### Minutes of the Board Meeting

July 11, 2016

**Roll Call:** All present.

A motion was made and passed to approve the minutes as published in the June 2016 newsletter for the Board Meeting of June 6, 2016.

#### REPORTS:

**Treasurer:** There was a gain of \$5,582.00 over expenditures for the month of June. Regret to announce the death of Jerry Estep. The following members resigned in good standing, Jose Mamanilla, a member since 2006 and Bryan Palmer, a member since 2011. 4 Certified Letters were mailed and 1 paid to date. The Dock Master called 7 members for late payment who paid.

**Docks and Grounds: As read by the Secretary;** There was an ACME Saturday June 25th. Thank you to all members who worked, it was a nice turnout they were able to cut down a couple of dead trees, trim back all of the coconut trees, and the trees and bushes behind the Pilot House. Special thanks to Gary Matijeich for lending the club a high lift to trim the trees.

A reminder, we are in hurricane season and rainy season, please check your bilge pumps, float switches and scupper drains, also please check your dock lines, you should have a minimum of 5 and if you can't remember when you purchased them, it's probably time to replace them.

Saturday, July 23, is the next ACME workday. Your attendance would be greatly appreciated, we need to repair a couple of finger piers and have limited hours to do it because of the heat and sun.

**Vice Commodore:** The Capital Improvement project is still under budget. We are looking into a ceiling tile product for the acoustical sound deadening. This will take up the rest of the budget if done. Leaving the window replacement to be voted on by the members at a later date. The treasurer did look into a discount from the insurance for window installation. The discount is not significant enough to offset getting the acoustics under control first.

#### UNFINISHED BUSINESS

**Secretary:** Reminder that the campaign still exists to sign up current members to electronic billing and news letter.

**Commodore:** Requested an update from Del in regard to a member who is under a 90 day extension from the board to get his boat "ship shape". Currently the member has not performed any work and is seeking financing to replace the engines.

#### Air Conditioning – Plumbing – Electrical

#### NEW BUSINESS:

**Treasurer:** Presented to the board to move two Certificates of Deposit from Sun Trust to Synchrony Bank (old GE Capital) for a much higher interest rate. A motion was made, seconded and unanimously agreed to move the funds.

**Vice Commodore:** Requested that Del explain the need to replace the front gate remote operation with a new system due to the current system being antiquated. Issue tabled until Docks and Grounds can be involved.

**Commodore:** Brought up to the board that there will be an immediate need for some mold issues to be resolved when the Docks and Grounds Director returns.

A motion was made and passed to adjourn.

July 11, 2016

**Roll Call:** All present.

A moment of silence was observed for Jerry Estep who recently passed.

A motion was made and passed to approve the minutes as published in the June 2016 newsletter for the General Meeting of June 13, 2016.

#### **Reports:**

Neil thanked Sue, Dean and all of the volunteers and sponsors for making the day a great event. The list of winners, committee members, volunteers and sponsors will be in the July Newsletter and on the web site shortly. \$1,428 was raised for charity. Barney from Tow Boat US was presented a committee DDD shirt for his participation as a sponsor.

Dean again thanked everyone for their help.

**Docks and Grounds: As read by the Secretary;** There was an ACME on Saturday June 25th. Thank you to all members who worked, it was a nice turnout they were able to cut down a couple of dead trees, trim back all of the coconut trees, and the trees and bushes behind the Pilot House. Saturday, July 23, is the next ACME workday. Your attendance would be greatly appreciated, we need to repair a couple of finger piers and have limited hours to do it because of the heat and sun.

#### **Unfinished Business:**

**Secretary:** We continue to solicit the membership to change from paper delivery of the LSBC newsletter and monthly invoice. Please complete a Electronic Delivery Consent Option form from the Pilot House or follow the instructions from the first page of the newsletter for the electronic option. Forms will also be available at each General Meeting.

**Planning:** Gave a briefing on the Dingy Run and the Miss LSBC contest. Joe did ask for those attending to show up Wednesday night for last minute arrangements.

**Social:** Thanked John Wheeler for working on the sound system and reminded everyone to not mess with the equipment.

Scott Wargo was called up to go over a brief of the Poker Tournament for August 20th. The rules are published on the bulletin board on the Clubhouse patio and will be posted on the web site. This will be a 100% revenue event for the Charity. We hope to have 100 players with a \$20.00 buy in.

#### **New Business:**

**Membership:** The following 2 new members were voted on by the members and inducted into the club: Odin McCloskey ( reinstated) and Raffael Puleo, sponsored by Marvin Silverman.

**Social:** Introduced brining a Painting and Cocktail Party for 20 persons at \$40.00 per person to be held at the club August 6 with a start time of 6PM. Part of the proceeds do go back to the Charity.

**Social Continued from page 3:**

Dean announced that the pit will be closed on Friday nights for the summer. Burgers, hot dogs and chicken breast will be grilled on the patio and for sale.

**Vice Commodore:** Gave a briefing on the acoustics solution for the club house.

**Commodore:** Reminded everyone to be vigilant for non-members following in members to the club. All members are reminded that they are to have the club burgee sticker on their car. You can get one from the Pilot house for \$1.00 or peel of the faded existing one you have and get a free one when you turn that into the pilot house.

**Monthly Fishing Tournament:**

First Place: Brent Wickum with a 30Lb Dolphin  
Second Place: Bill Mcweeny with a 15Lb Dolphin  
Third Place: Jorge Lang with a 15lb Dolphin

**50/50:** Won by Keith Pisut

**Good of the Order:**

Doug Fordon questioned how the four open slips were not posted. Del explained that they were.

Sue Freeman wanted to let everyone know there are still DDD shirts for sale.

Tom Terwilliger suggested that the board look into if BYOB events are allowed when using the Club house.

Elton Cerda reminded the membership of Tow Boat US's offer for discount memberships.

A motion was made and passed to adjourn.

**A HEARTFELT THANK YOU**

I can't begin to adequately thank all the LSBC members who helped put together the wonderful memorial service in tribute to Jerry. The service, the numbers who attended, the generous food offerings, and the many stories shared amongst our friends was the best way to celebrate Jerry's life. Thank you from the bottom of my heart to all of you that helped make it such a special day.

### A MESSAGE FROM THE 2016 DAD'S AND DOLL'S DOLPHINS DAZE TOURNAMENTS

A big shout out to all the participants and volunteers.  
This years "Dads Dolphin Daze" & "Doll phin daze"

tournaments were a great success.

We got a late start this year, but were able to compile some great prizes and awards, not to mention putting together the party in a relatively short period of time.

From the captains meetings to the Bimini start of the Dads Dolphin Daze tournament and the weigh-ins, the events were filled with fun and enthusiasm.

We partied on Fathers Day with Jimmy Stowe & the Stowaways and enjoyed ice cold drinks with some of the tastiest BBQ on this earth.

We of course could not have done it without all of the anglers who participated, our excellent sponsors and all of the volunteers that put together what is synonymous with family and friendship here at the Lauderdale Small Boat Club. Thank you for being part of the 2016 Dads Dolphin Daze & Doll'phin Daze tournaments. If we missed your name - we apologize.
