REPORTS
Treasurer - Income for the month $69,368 and expenses of $62,601 a net gain of $6767. Thirteen members had to be called for nonpayment of dues. No certified letters were mailed. Two members in good standing resigned, Gail Ellis who provided no reason and Austin Falk who sold his boat
Secretary - The Secretary and the Dockmaster visited the owner of the sailboat on C-dock to determine the ex-members plan for the boat. We managed after a few meetings to get the title to the boat. The mast, sails and rigging are available for pickup. The secretary completed a lien for Carmen Pino’s boat. Carmen is no longer a member and owes storage and other charges. His boat contains a lot of water inside the boat and could become an environmental issue.
Docks & Grounds – Acme took place Saturday. May thanks to all that helped especially Kenny Casteel and George Lewis. Anyone having dock or piling issues contact the Dockmaster or Director of Docks and Grounds. Shortly extensive work will have to begin on G Dock so smaller projects need to be completed before commencing with G Dock. George Lewis presented information about the termite infestation and what is needed to correct the situation. Motions in this regard will be covered after reports.
Commodore – No Report.
Vice Commodore – Crawfish party took place on April 27, 2019. The crawfish party was a great success raising over $7,000.00 for our charity Honor Flight. Honor Flight officials will be invited to the June meeting for a presentation. Thanks to all that helped with this activity and names will be published in the newsletter. Similarly, thanks to the bake sale folks who will also be recognized in the newsletter.
Social – Reiterated thanks to the Vice-Commodore for the successful crawfish party.
Planning – Letters were sent to four members that their boats would have to be removed from the club premises as they failed to complete compliance with boat rules regarding the ability to operate. Two members removed boats from the water but will be required to demonstrate the ability to operate as required by club rules.
Membership – The Membership Director presented nine prospective members who were all accepted. They are:

Ariel Alberto
Chris Viola

Dick’s $20 Club was not very exclusive, but it played a huge role in the success of the Silent Auction held during the Charity Crawfish Boil. Over a period of many days, Dick Masten collected, coerced or shamed, $20 from our members that happened to be enjoying a beer at the LSBC clubhouse. His efforts raised over $700 that went into buying 2 West Marine dock carts and the $300+ of alcohol that filled each cart. Thanks Dick for starting the $20 Club and the members that donated their $20 on behalf of Honor Flight South Florida!
